## volunteer work

May 2011

[Action for Healthy Communities Edmonton, AB](#)

Designed and executed composition workshop for children aged 9 to 14 highlighting the elements of composition in photography.

## accomplishments

Successfully created interview template, managed content for self driven art magazine project:

Created, designed and implemented project, managed content, involved international photographers from Saudi Arabia, USA, Canada, and Denmark.

Currently charged with design of ACCA's CaringNow Magazine along side Rose Country Advertising & Public Relations.

Successfully managing and operating Leslie Irvine Graphic Design.

## interests

I spend my free time endeavouring in personal design projects, shooting my trusty Canon TLB at unsuspecting passersby, and exploring the vastness of the interwebs.

## work experience

2009 to 2010

[Spicebox Product Development Richmond, BC](#)

Executed designs of several products ranging from early learning kits for young children to fun arts and crafts kits for pre-teens and culinary kits for adults.

Charged with the creation of catalogs, sell sheets, website updates and various other marketing and sales related designs.

Responsible for product photography and post production of images.

Created various mock ups of upcoming products for trade shows and client presentations.

2011 to present

[Rain CityScape Vancouver, BC](#)

Created a line of graphic tee's under the "Sarah Tonin Design" label

Charged with Photography and all design including graphics for tee's, logo, business plan, and look-book.
